

Product Name: Risso Micronutrient Liquid Fertilizer

Classification: Non-hazardous (according to GHS standards)

Intended Use: Agricultural micronutrient foliar and soil application

Composition & Information on Ingredients

- Water-soluble NPK base (trace amounts)
- Chelated micronutrients (see technical sheet)
- pH stabilizers, dispersants, humectants

First Aid Measures

- **Skin Contact:** Wash with water and soap; remove contaminated clothing.
- **Eye Contact:** Flush with water for 15 minutes; seek medical advice if irritation persists.
- **Inhalation:** Move to fresh air if mist is inhaled.
- **Ingestion:** Rinse mouth, drink water; do not induce vomiting; seek medical help if symptoms persist.

Handling & Storage

- Store in original container, tightly closed, away from direct sunlight and freezing conditions.
- Avoid contact with eyes, skin, or clothing.
- Keep out of reach of children and animals.

Exposure Controls / PPE

- Protective gloves, safety glasses, and long-sleeve clothing are recommended during handling.
- Ensure adequate ventilation during foliar spraying.

Stability & Reactivity

- Stable under recommended storage conditions.
- Avoid mixing with strong acids or oxidizing agents.

Ecological Information

- Low environmental impact when used as directed.
- Avoid direct release into water bodies.
